**End Application:**

Cobra counter battery radar battlefield force system

**Construction:**

Laminated

**Product Name:**

Bus bar, vertical

**Special Features:**

5-layer laminate consists of dielectric between layers of aluminum is tedlar, mylar may be used on external surface

**Material:**

Aluminum alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A537p0
