Overall Length:

120.000 inches

End Application:

Instrument landing system (mark1f)

Product Name:

Cable, antenna heater

Special Features:

Function, cable, antenna heater; reference data, eng drawing no. 732569-0001

Style Designator:

Internal connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
