End Application:

Seawolf class ssn; ecl loading

Termination Type:

Connector plug 2nd end all conductors

Conductor Quantity:

45

Branch Quantity:

19

Special Features:

Other ends are terminated in terminal lugs w/mounting hol

Material:

Plastic polyvinyl chloride 1st position primary insulation all conductors

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
