Branched Electrical Special Purpose Cable Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6150-01-490-0284

Termination Type:
Connector plug 3rd end second conductor
Conductor Quantity:
50
Branch Quantity:
2
Special Features:
Two leads one from each plug end containing terminal lug
Material:
Plastic 1st position primary insulation all conductors
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A077a0
