**End Application:**

Nsn restricted to use by the nexrad team only; rpg

**Cable Assemblylength:**

24.000 inches

**Product Name:**

Cable assembly, loopback

**Branch Quantity:**

2

**Special Features:**

Cable: awm style 2448 multi-conductor c12 data cable, awg 24 stranded conductors, conductive coated polyester film shield plus aluminum braid shield; cable diameter 0.360 in max

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A077a0
