Wall Thickness:

0.032 inches

End Application:

F-15 aircraft

Construction:

Solid

Product Name:

Busbar

Special Features:

Nha 8505338-901

Material:

Copper

Material Specification:

Qq-c-576 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537p0
