End Application:

6625-01-445-0085

Conductor Quantity:

1

Cable Assemblylength:

16.000 inches

Switch Type And Quantity:

1 lever

Switch Location:

In-line

Material:

Copper core conductor single conductor

Precious Material And Location:

Surface single conductor silver

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A077a0
