Width:

381.0 millimeters

Length:

381.0 millimeters

End Application:

C-17 aircraft; cable assembly set, electrical nsn 6150014957248

Handle Quantity:

2

Special Features:

Plastic handles; watervapor proof mil-c-4150j type 1 style n class a; foam standard 2pcf polyethylene/urethane and antistatic firm foam; airtight/breather valve; hoist ring option

Height:

251.4 millimeters

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
