Overall Length:

25.000 feet

Termination Type:

Connector plug both ends all conductors

Special Features:

Connector p1 per mil-dtl-38999/26 and p2 is rj45, two twisted pairs of conductor have been cut back and not used, unused connectoe contact holes to be filed with sealing plugs, wire marker a label p1, wire marker b label 19207assy 12476842 ad305, wire marker c label mfr 24290 and s/n, wire marker d label p2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
