**Overall Length:**

25.000 feet

**Termination Type:**

Connector plug both ends all conductors

**Special Features:**

Connector p1 per mil-dtl-38999/26 and p2 is rj45, two twisted pairs of conductor have been cut back and not used, unused connectoe contact holes to be filed with sealing plugs, wire marker a label p1, wire marker b label 19207assy 12476842 ad305, wire marker c label mfr 24290 and s/n, wire marker d label p2

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A077a0
