Cross Sectional Shape:

Round

End Application:

Starter motor for 150/175/200 efi 2.5l outboard engine, mercury model 150cxl efi ccw and cw; mariener model bumner 1150423zy

Termination Type:

Terminal storage battery both ends all conductors

Product Name:

Battery cable, positive

Terminal Polarity:

Positive both ends all conductors

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
