End Application:

P/NK-V1-04A-R3,C

Termination Type:

Connector all ends all conductors

Product Name:

Servselect bonding cables

Branch Quantity:

1

Special Features:

Cables enable the use of two servselect together; hd15 y-cable (1), length - 16 in; db9m/db9m cable (1), length - 16 in; cable jacket material - pvc; molded connectors; connector one video: db15hd female - vga connector; connector one serial: db9 male; connector two video: db15hd male (2) - vga connector; connector two serial: db9 male

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
