End Application:

An/vrc-10 (v) , interconnecting group

Component Quantity:

22

Supply Items And Quantities:

5935-00-921-3399, connector, plug, electrical - 1; 5930-01-484-5112, boot, dust and moisture seal - 2; 5920-01-484-3703, fuseholder subassembly - 1

Special Features:

Consists of dc power cable, cage 14304, p/n 10570-075-a021 and ancillary kit containing various items including installation instructions, cage 14304, p/n 10570-0797

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23800
