Body Cross-sectional Shape:

Flat

Overall Length:

13.550 inches

End Application:

Ests ita no. 3

Construction:

Solid

Special Features:

64 terminals

Material:

Copper alloy

Material Specification:

Qq-b-750, comp a federal specification single material response

Surface Treatment:

Tin and lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537p0
