End Application:

Vacuum sanding system (electric)

Conductor Quantity:

3

Product Name:

Power supply cord

Round Conductor Size:

12 awg all conductors

Special Features:

Length - 50 feet min.; type sjtow-a, rated 60 degrees c min.; terminated in grounding type 15 a, 125 v, attachment plug cap; individual conductors terminate at motor and switch with preinsulated wire connector and quick-disconnect connectors with positive detent action

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A077a0
