Body Cross-sectional Shape:

Rectangular

Overall Length:

0.571 inches

Cross-sectional Width:

0.236 inches

End Application:

N8albw

Mounting Configuration:

Slotted legs

Construction:

Solid

Product Name:

Straggered jumpe; insulated; from 1 to 4; width 5mm/0.197 in.

Special Features:

Plastic insulated straggered jumper

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A537p0
