Body Cross-sectional Shape:

Rectangular

Overall Length:

0.236 inches

Cross-sectional Width:

0.177 inches

End Application:

N8albw

Mounting Configuration:

Slotted leg at each end

Construction:

Solid

Product Name:

Straggered jumper; insulated; from 1 to 2; width 5mm/0.197 in

Special Features:

Straggered jumper - insulated, from 1 to 2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A537p0
