Overall Length:

3.0 meters

Conductor Quantity:

2

Product Name:

Mini d ribbon cable assembly

Conductor Cross-sectional Shape:

Oval all conductors

Special Features:

Acrylonitrile butadiene styrene shell material; parchment/beige; 30 volts; 1 amp; minus 20 degrees celsius to plus 75 degrees celsius; mdr ribbon type contact; quick release latches

Material:

Plastic polyvinyl chloride 1st position jacket all conductors

Style Designator:

Internal connectors

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
