Termination Type:

Terminal lug both ends all conductors

Product Name:

Lead, electrical, grounding

Terminal Manufacturer Identifying Reference Number:

Ms25036-136 both ends all conductors

Terminal Commercial And Government Entity Code:

96906 both ends all conductors

Special Features:

Wire - p/n a3093995-013 (80063), 2/0 awg; terminal mounting hole dia. - 0.375 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
