Conductor Bus - Page 1 of 1

AeroBase

Body Cross-sectional Shape:
Rectangular

**Overall Length:** 

4.600 inches

# **Cross-sectional Height:**

1.080 inches

## **Cross-sectional Width:**

2.400 inches

#### **End Application:**

Dc-dc converters model vi-200

## Mounting Configuration:

Chassis mount housing with screw/lug wiring interface

#### **Construction:**

Solid

#### **Product Name:**

# Busmod

Shelf Life:

#### N/a

Unit Of Measure:

--

### Demilitarization:

No

#### Fiig:

A537p0
