Overall Length:

17.000 inches

Overall Height:

1.750 inches

Overall Width:

11.500 inches

Special Features:

Input voltage: 100 to 240 v; input max. Branch circuit rating: 32 a; input connector: iec309; max. Output current per outlet: 10 a; output connector: iec320-c13; rs232 serial port interfaces (qty. 2); operating temp: 10 to 50 degrees c (50 to 122 degrees f); storage temp: m40/p85 degrees c (m40/p185 degrees f); mounting: horizontal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A501p0
