End Application:

2320-01-522-1859 truck, dump, w/winch, fmtv, 10 ton

Conductor Quantity:

5

Cable Assemblylength:

1982.0 millimeters

Product Name:

Harness, load and battery control

Branch Quantity:

3

Specification Data:

Mil-std-100g government specification and asme y14.-1994 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0

Mil-std (military Standard):

Mil-std-100 spec.
