Cross Sectional Shape:

Round

End Application:

2530-01-511-7783, assault breacher vehicle

Product Name:

1w729 dagr power cable assembly

Special Features:

Assy must comply with specification 0147-sc-x15110 critical item product fabrication specification for narness-cable; length including connectors is 60.00 in ; wire nbr 1 and 2 are 16 awg each

Special Markings:

Place cable end identification markers within 5.000 inches of connector boots

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
