Overall Length:

9.000 feet

End Application:

An/ttc-6 (v) 1, 2

Conductor Quantity:

7

Product Name:

Cable assembly electrical-signal

Special Features:

Use manufacturers instructions for termination of wiring ends. Terminate per 00-2729583 procedure 2, process 5 when three wires are present using solder

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
