Overall Length:

5.0 meters

Termination Type:

Connector plug 1st end all conductors

Conductor Quantity:

3

Product Name:

Socket, electrical

Special Features:

Contacts are bronze, flat pins. Shell housing material is polyamide. The mounting type for the connector is a screw.

Precious Material And Location:

Contact plating silver

Precious Material:

Silver

Style Designator:

External angle connector and stripped

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
