Overall Length:

2.5 meters

End Application:

Ctrl trolley, cm unit 5

Conductor Quantity:

3

Product Name:

Integral led in socket

Special Features:

Contacts are bronze, flat pins; shell housing material is polyamide; mounting type for the connector is a screw

Precious Material And Location:

Contact plating silver

Precious Material:

Silver

Style Designator:

External angle connector and stripped

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
