**Overall Length:**

2.5 meters

**End Application:**

Ctrl trolley, cm unit 5

**Conductor Quantity:**

3

**Product Name:**

Integral led in socket

**Special Features:**

Contacts are bronze, flat pins; shell housing material is polyamide; mounting type for the connector is a screw

**Precious Material And Location:**

Contact plating silver

**Precious Material:**

Silver

**Style Designator:**

External angle connector and stripped

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A077a0
