**End Application:**

4930-01-549-7112; lubricating unit, power operated

**Product Name:**

Power cable assembly

**Special Features:**

Cable temperature rating: -55 to +90 oc; operating voltage: 125 vac; attachment plug configuration: nema 5-15p

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A077a0
