End Application:

4930-01-549-7112; lubricating unit, power operated

Product Name:

Power cable assembly

Special Features:

Cable temperature rating: -55 to +90 oc; operating voltage: 125 vac; attachment plug configuration: nema 5-15p

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
