**End Application:**

6640-01-547-1760 petroleum quality analysis system

**Termination Type:**

Lug terminal w/mounting hole 1st end single conductor

**Leadlength:**

96.000 inches

**Product Name:**

Filtration ground wire assembly

**Lead Pull Strength:**

10.0 pounds

**Specification Data:**

81349-mil-dtl-22520 government standard and 81349-mil-std-202 government standard and 81349-sae as7928 manufacturers standard

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A077a0
