Overall Length:

50.000 feet

End Application:

5180-01-447-2199

Voltage Rating:

120.0 ac rated working voltage single conductor

Special Features:

3 insulated wires; wire material is copper; amperage rating is 15; connector color is black; weather resistant, connector plug ends molded with strain reliefs to prevent the ends from pulling away from the body

Color:

Black core wrap

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A077a0
