End Application:									
6115-01-561-7458									
Product Name:									
Lead, electrical jumper									
Special Features:									
Length from center to center of terminals:	140mm;	wire color:	white;	label color:	black;	contains:	04-20556-6,	04-20737,	04-20529-2,
04-20448									
Shelf Life:									
N/a									
Unit Of Measure:									
Demilitarization:									
No									
Fiig:
