**Ac Voltage Rating:**

110.000 volts and 250.000 volts

**Current Interrupting Capacity:**

13.000 amperes

**Features Provided:**

High inrush protection

**Body Material:**

Plastic

**Special Features:**

No fuse circuit breaker; suggested name, universal 5-outlet power strip with surge protector and all in one universal adapter kit

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A501p0
