Ac Voltage Rating:

110.000 volts and 250.000 volts

Current Interrupting Capacity:

13.000 amperes

Features Provided:

High inrush protection

Body Material:

Plastic

Special Features:

No fuse circuit breaker; suggested name, universal 5-outlet power strip with surge protector and all in one universal adapter kit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A501p0
