End Application:

Oc-135b; used in support of the c/kc-135 electrical wiring replacement program

Conductor Form:

Stranded all conductors

Product Name:

Wiring harness-pilot panel lights

Special Features:

Nha 201234011

Material:

Copper alloy core conductor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
