Overall Length:

6.60 inches

End Application:

C-5 reliability enhancement re-engineering program

Product Name:

Bus bar, ground, avionics rack

Special Features:

Nha is 4k11106; material is aluminum 2024-t (clad)

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537p0
