Cross Sectional Shape:
Round
Termination Type:
Lug terminal w/mounting hole 1st end single conductor
Leadlength:
11.0 inches
Product Name:
Cable assembly fan power black
Terminal Polarity:
Positive both ends single conductor
Terminal Manufacturer Identifying Reference Number:
Ms27144-1 2nd end single conductor
Terminal Commercial And Government Entity Code:
96906 both ends single conductor
Special Markings:
Marker a = gnd-; marker b = fan black-
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A077a0
