Overall Length:

3.500 inches

Overall Height:

0.810 inches

Overall Width:

2.500 inches

Unthreaded Mounting Hole Diameter:

0.380 inches single mounting facility and 0.410 inches single mounting facility

Mounting Facility Type And Quantity:

1 unthreaded hole single mounting facility

Material:

Aluminum alloy 5083

Material Specification:

Qq-a-200/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
