**Overall Length:**

3.500 inches

**Overall Height:**

0.810 inches

**Overall Width:**

2.500 inches

**Unthreaded Mounting Hole Diameter:**

0.380 inches single mounting facility and 0.410 inches single mounting facility

**Mounting Facility Type And Quantity:**

1 unthreaded hole single mounting facility

**Material:**

Aluminum alloy 5083

**Material Specification:**

Qq-a-200/4 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A062a0
