Body Length:

7.094 inches

Body Width:

3.000 inches

Body Height:

0.875 inches

End Application:

Type no. C-433/grc

Mounting Configuration:

Mounts in slots in chasis by two mtg tabs on 1 end and by turned over edges which grip sides of box

Special Features:

Surface treatment: commercial bright

Special Markings:

Schematic diagram of remote control c-433/grc

Material:

Aluminum

Material:

Aluminum alloy

Surface Treatment:

Commercial bright

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700
