**Body Length:**

7.094 inches

**Body Width:**

3.000 inches

**Body Height:**

0.875 inches

**End Application:**

Type no. C-433/grc

**Mounting Configuration:**

Mounts in slots in chasis by two mtg tabs on 1 end and by turned over edges which grip sides of box

**Special Features:**

Surface treatment: commercial bright

**Special Markings:**

Schematic diagram of remote control c-433/grc

**Material:**

Aluminum

**Material:**

Aluminum alloy

**Surface Treatment:**

Commercial bright

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T23700
