Overall Length:

9.720 inches

Overall Height:

5.500 inches

Overall Width:

7.430 inches

Covering Material:

Aluminum alloy, qq-a-250/8, alloy 5052

Component Quantity:

2

Locking Device:

Not included

Component Controlling Agency:

Dyna-empire inc

Component Name:

Case, battery

Component Identifying Number:

992d328 part no.

Material:

Aluminum alloy 5052

Surface Treatment:

Paint per specification 992a356

Surface Treatment:

Paint per specification 992a356

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-a
