Overall Length:

2.015 inches

Overall Height:

0.490 inches

Overall Width:

0.970 inches

Unthreaded Mounting Hole Diameter:

0.093 inches single mounting facility

Accommodated Item Securing Device Type:

Holes

Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

Special Features:

Printed circuit mountable, accomodates 2 aaa batteries

Style Designator:

Rectangular prism

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
