Overall Length:

1.050 inches

Overall Height:

0.765 inches

Overall Width:

0.625 inches

Unthreaded Mounting Hole Diameter:

0.093 inches all mounting facilities

Mounting Facility Type And Quantity:

4 unthreaded hole single mounting facility

Special Features:

For cells tr146x

Material:

Steel comp 1030 or steel comp 1035 or steel comp 1040 or steel comp 1045 or steel comp 1050 or steel comp 1055 or steel comp 1060 or steel comp 1064 or steel comp 1065 or steel comp 1070 or steel comp 1074 or steel comp 1080 or steel comp 1085 or steel comp 1086 or steel comp 1095

Material Specification:

Astm a682 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
