Overall Length:

2.281 inches

Overall Height:

1.200 inches

Overall Width:

1.100 inches

Accommodated Item Securing Device Type:

Spring clip

Mounting Facility Type And Quantity:

1 connector all mounting facilities

Special Handling Feature:

Shock protected

Product Name:

"aa" size battery holder with snap-on connector

Special Features:

Connector is 9 volt type

Material:

Plastic polypropylene and steel

Surface Treatment:

Nickel

Style Designator:

Rectangular prism

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
