**Overall Length:**

11.937 inches

**Overall Height:**

6.625 inches

**Overall Width:**

8.00 inches

**End Application:**

Boat alt 38rp/

**Cover:**

Provided

**Product Name:**

(inavy) battery box; optima billet battery boxes

**Special Features:**

Withstands the weight of 250lb person; cover is slip resistant; can be stringer mounted

**Material:**

Aluminum alloy

**Material:**

Aluminum alloy

**Supplementary Features:**

Black anodized finish is non-corrosive

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T139-c
