Overall Length:

11.937 inches

Overall Height:

6.625 inches

Overall Width:

8.00 inches

End Application:

Boat alt 38rp/

Cover:

Provided

Product Name:

(navy) battery box; optima billet battery boxes

Special Features:

Withstands the weight of 250lb person; cover is slip resistant; can be stringer mounted

Material:

Aluminum alloy

Material:

Aluminum alloy

Supplementary Features:

Black anodized finish is non-corrosive

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T139-c
