Overall Length:
9.00 inches
Overall Width:
5.50 inches
End Application:
Isn: 00a902; pcc: opp
Product Name:
Battery hold-down
Special Features:
Description: battery hold-down for 5 1/2in x 9in; wide battery with 10in long I-bolts; hold down made of corrosion-resistant, non-conductive
fiberglass- reinforced polypropylene; comes with zinc-plated steel I-bolts and fasteners; battery vent cover is raised
Material:
Plastic polypropylene or glass fiber
Style Designator:
Srew rectangular clamp, footed hole mounting
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A062a0
