End Application:

Uscg cutter boat, long range interceptor-ii 35 ft (Iri-ii)

Product Name:

Remote battery switch

Special Features:

voltage 12vdc; manual control; bistable coil function; min operating temp -10 degree c; max operating temp 50 degree c; control circuit voltage 10.1 to 16.5 vdc; control circuit connection tinned wire; 7/8 inch stud lengths; 3/8 inch-16 tin plated copper studs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
