**End Application:**

Uscg cutter boat, long range interceptor-ii 35 ft (Iri-ii)

**Product Name:**

Remote battery switch

**Special Features:**

voltage 12vdc; manual control; bistable coil function; min operating temp -10 degree c; max operating temp 50 degree c; control circuit voltage 10.1 to 16.5 vdc; control circuit connection tinned wire; 7/8 inch stud lengths; 3/8 inch-16 tin plated copper studs

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A062a0
